Corrigendum to

E. Todini
Department of Earth and Geo-Environmental Sciences, University of Bologna, Italy

Two editorial mistakes were found in the paper.

The first one relates to the definition of coefficient $C_1$ in Eq. (52):

$$C_1 = \frac{-1 + C^*_t + D^*_t}{1 + C^*_{t+\Delta t} + D^*_{t+\Delta t}};$$

$$C_2 = \frac{1 + C^*_t - D^*_t}{1 + C^*_{t+\Delta t} + D^*_{t+\Delta t}} \frac{C^*_t}{C^*_{t+\Delta t}};$$

$$C_3 = \frac{1 - C^*_t + D^*_t}{1 + C^*_{t+\Delta t} + D^*_{t+\Delta t}} \frac{C^*_t}{C^*_{t+\Delta t}}$$

which should be rewritten as:

$$C_1 = \frac{-1 + C^*_t + D^*_t}{1 + C^*_{t+\Delta t} + D^*_{t+\Delta t}};$$

$$C_2 = \frac{1 + C^*_t - D^*_t}{1 + C^*_{t+\Delta t} + D^*_{t+\Delta t}} \frac{C^*_t}{C^*_{t+\Delta t}};$$

$$C_3 = \frac{1 - C^*_t + D^*_t}{1 + C^*_{t+\Delta t} + D^*_{t+\Delta t}} \frac{C^*_t}{C^*_{t+\Delta t}}$$

The second one is in the references section.
